

MASK/COSTUME GUIDE FOR THE VIRTUE OF HOPE, WHOSE EMBLEM IS A SILVER'D ANCHOR...

INSTRUCTIONS FOR MAKING YOUR COSTUME:

- 1) Print out this pdf (landscape) on a standard piece of A4 paper and cut out the mask, shield and anchor.
- 2) Set aside the anchor and use the mask and shield as templates to trace and cut out both shapes on different coloured card (your choice of colours!)
- 3) Glue the card shield on to the centre of the card mask, so the angled point sits downwards, centrally, just between the mask eyeholes.
- 4) Return to the anchor emblem cut-out and either use it as a template, to trace and cut out the shape on a piece of silver card – or use the paper cut-out as it is, and decorate it with silver glitter/sequins/paint. Then stick it vertically to the centre of the shield.
- 5) Use a hole-punch to make holes on either side of the mask and then thread a piece of elastic through them, then knot at both sides, so you can wear the mask comfortably on your head.
- 6) You can make your Virtue even more theatrical by sticking/stapling coloured ribbons to the back of your mask, to create ‘hair’ for yourself. Or add feathers, tinsel... whatever you want to customise your Virtue!
- 7) Finish off your costume by wrapping up warm in comfy, waterproof clothes, then tying a white bedsheet over one shoulder – for that classical toga look!
